Dear Willie,

Hope you dont mind me addressing
you in such a personal way. I
am Katie Langi's eldest sister.

I received a letter from her today
enclosing a page of a letter she had
written to you, asking me to forward it
to you. She had evidently, by mistake,
left the last page of the letter in the
writing pad. This I am now enclosing.

Hope you and your family are enjoying
good health.

yours faithfully,
(Mrs) M. Fitzpatrick
